

Right-Brain/Left-Brain Quiz

One of the quickest ways to improve your productivity is by setting up a workspace supportive of your dominant brain style. Don't know exactly what brain style you have? You can read our article on [The Right-Brained Office vs. The Left-Brained Office](#) or take [this quick little quiz to find out](#):

[Note: After you take the quiz scroll back up the page for your results. We also include a website code table which you can paste in your blog if you have one.](#)
